Product Description

Durable Weaning Silicone Feeding Set 5pcs In 1 Set Reusable Harmless

Product Description:

Introducing our Durable Weaning Silicone Feeding Set! This 5-piece feeding set is made from high-quality silicone and is designed to be both durable and reusable.

The feeding set includes a baby bib, a baby spoon, a food plate, a baby cup, and a bowl, all made from harmless, BPA-free silicone. The set is designed to help wean your baby from breastfeeding or formula feeding and encourage them to transition to solid foods.

Baby Feeding Tools is designed to make meal time a pleasant experience for parents and babies. Our baby feeding set includes bowls and spoons made from food-grade silicone, a baby cup, a baby bib and a food plate that are FDA approved for safety and non-toxic. All our baby feeding tools are lightweight and the temperature range can reach from -40 to 230 . Our baby feeding set is perfect for any meal time with your baby. It is easy to clean and can be used in the dishwasher or in the microwave. Our food-grade silicone bowls and spoons are designed to be gentle on baby's gums and teeth. The baby bib is made from soft material to keep your baby's clothes clean and dry.

The feeding set is easy to clean and disinfect, making it convenient to use on the go. It is also designed to fit most baby carriers, making it a must-have for any parent.

So if you are looking for a safe, durable, and effective feeding set for your baby, be sure to check out our Durable Weaning Silicone Feeding Set!
